

Curriculum Vitae

Personal Information

Dr Saeed Dastgiri
Associate Professor of Epidemiology
Department of Community Medicine
School of Medicine
Tabriz University of Medical Sciences
Tabriz
Iran

Email: saeed.dastgiri@gmail.com

Publications: (by date)

1. Barzegar M, Alizadeh A, Toopchizadeh V, **Dastgiri S**, Majidi M. Association of Campylobacter jejuni infection and Guillain-Barré syndrome: a cohort study in the northwest of Iran. *The Turkish Journal of Pediatrics*. 2008; 50: 443-448.
2. Eivazi-Ziaei J, **Dastgiri S**, Pourebrahim S, Soltanpour R. Usefulness of red blood cell flags in diagnosing and differentiating thalassemia trait from iron-deficiency anemia. *Hematology*. 2008, 13 (4): 2536.
3. **Dastgiri S**. Community genetic services for congenital anomalies and genetic disorders in the Northwest of Iran. *Saudi Med J*. 2008 May; 29(5):784.
4. **Dastgiri S**, Irandoust P. "Audit". In: Neil Salkind (Editor), *Encyclopedia of Research Design*, SAGE Reference publication, (in press).
5. **Dastgiri S**. "Case-Only Design". In: Neil Salkind (Editor), *Encyclopedia of Research Design*, SAGE Reference publication, (in press).
6. Mosaferi M, Yunesian M, **Dastgiri S**, Mesdaghinia A, Esmailnasab N. Prevalence of skin lesions and exposure to arsenic in drinking water in Iran. *Sci Total Environ*. 2007 Nov 9; 390: 69-76.
7. Eivazi-Ziaei J, **Dastgiri S**, Sanaat Z. Estimation of the Diagnostic Value of Myeloperoxidase Index and Lactate Dehydrogenase in Megaloblastic Anaemia. *Journal of Clinical and Diagnostic Research*. 2007 Oct; 1(5):380-384.
8. Barzegar M, **Dastgiri S**, Karegarmaher MH, Varshochiani A. Epidemiology of childhood Guillain-Barre syndrome in the Northwest of Iran. *BMC Neurol*. 2007 Aug 5; 7(1):22.
9. Jodati AR, Nourabadi G.R.1; Hassanzadeh S, **Dastgiri S**, Sedaghat K, Impact of education in promoting the knowledge of and attitude to HIV/AIDS

- prevention: a trial on 17,000 Iranian students, *International Journal of STD & AIDS*, 18 (6), 2007, 407-409.
10. Hoseinikhorrani S, **Dastgiri S**, Bakhtari F, Tutunchi H, Epidemiology of food insecurity in the northwest of Iran, *Research Journal of Biological Sciences*, 2(4), 2007, 472-475.
 11. Jodati A, Nourabadi G, Hassanzadeh S, **Dastgiri S**, Sedaghat K, Impact of education on knowledge and attitude on HIV/AIDS prevention, *Rawal Medical Journal: Vol.32, No.1, Jan.-June, 2007*, 51-3.
 12. **Dastgiri S**, Sharifi-Mood SM. Retrospective or Descriptive study? *Saudi Med J*. 2007 Mar; 28(3):483.
 13. Poorasl AM, Vahidi RG, Fakhari A, Rostami R, **Dastghiri S**, Substance abuse in Iranian high school students, *Addictive Behaviors* ,2007, 32, 622–627.
 14. **S Dastgiri**, H Tutunchi, A Ostadrahimi, S Mahboob, Sensitivity and specificity of a short questionnaire for food insecurity surveillance in Iran, *Food and Nutrition Bulletin*, March,2007, 55-58.
 15. **S Dastgiri**, S Imani, L Kalankesh, M Barzeghar, M Heidarzadeh, Congenital anomalies in Iran:a cross-sectional study on 1574 cases in the north-west of country, *Child: care, health and development*,2007, 33, 3, 257–261.
 16. **S Dastgiri**, R Mahdavi, H Tutunchi, E Faramarzi, Prevalence of obesity, food choices and socio-economic status: a cross-sectional study in Iran, *Journal of Public Health Nutrition*. 2006 Dec; 9(8):996-1000.
 17. J Eivazi, **S Dastgiri**, J Majidi, J Vaez, I Asvadi, A Nikanfar, H Maljaei, A Feizi, Z Senaat, A Mahmoudpour, Epidemiology of human leukocyte antigen and esophageal cancer in the northwestern region of Iran, *Diseases of the Esophagus*, 2006; 19(4): 238-40.
 18. **Dastgiri S**, Mahdavi R, Tutunchi H, Faramarzi E, Mahmoodzadeh F, Food choices and risk of obesity in Iran, *Am J Epidemiol*, 2006 163: s933.
 19. **Dastgiri S**, Ostadrahimi AR, Tutunchi H, Mahboob SA, Validity of a short questionnaire for food insecurity surveillance in Iran, *Am J Epidemiol*, 2006, 163: s185.
 20. **S Dastgiri**, "Case Only" design in healthcare research, *Saudi Med J*, Feb 2006, 128.
 21. **S Dastgiri**, LR Kalankesh, N Pourafkary, RG Vahidi, F Mahmoodzadeh, Incidence, survival pattern and prognosis of self-immolation: a case study in Iran, *Journal of Public Health*, Oct 2005,1-5.
 22. J Eivazi, R Dolatkah, **S Dastgiri**, A Mahammadzadeh, Mohammadpourasl A,

- Asvadi I, Mahmoudpour A, Nikanfar A, Malgahi H, Gholchin M, Vaez J, Inherited coagulation disorders in the northwestern region of Iran, Haemophilia; 2005 Jul; 11(4): 424-6.
23. **S Dastgiri**, LR Kalankesh, N Pourafkary, Epidemiology of self-immolation in the North-West of Iran, Eur J Gen Med; 2005; 2(1): 14-19.
 24. Eivazi ZJ, **Dastgiri S**, Role of Myeloperoxidase Index in differentiating megaloblastic and aplastic anemia, Indian J Med Sci; 2004; Aug; 58(8):345-8.
 25. **S Dastgiri**, H Gilmour, D Stone, Survival of children born with congenital anomalies, Archives of Disease in Childhood; 2003; 88: 391-394.
 26. Mahboob S, Karimi H, Aref R, Milani S, **Dastgiri S**, Plasma vitamin C and iron status during daily and weekly supplementation in pregnant women, Trends Clin Biochem Lab Medicine, 2003: 477-480.
 27. H Heidarnazhad, N Zendehtdel, **S Dastgiri**, Longitudinal change in pulmonary function tests in mustard gas victims, a 10 years follow-up study, Eur Respir J, 2002, 20: 38.
 28. **S Dastgiri**, D Stone, C He-Ha, H Gilmour, Prevalence and secular trend of congenital anomalies in Glasgow , U.K., Archives of Disease in Childhood, 2002, 86: 257-263.
 29. S Eghtesadi, R Amani, **S Dastgiri**, Assessment of growth pattern and nutritional status of urban 6-10 years old children in Isfahan city of Iran, Scandinavian Journal of Nutrition, (Supp 34), 1999.

Presentations: (by date)

30. **Dastgiri S**, Mosaferi M, Fizi M, Olfati N, Zolali S, Puladi N, Azarfam P, Chronic Arsenic Exposure and Dermatological Lesions, Hypertension and Chromosomal Abnormalities: An Epidemiological Study, International Society for Environmental Epidemiology & International Society of Exposure Analysis, October 12–16, 2008, USA.
31. **S Dastgiri**, D Stone. Does Birth Weight Have a Prognostic Value for the Survival of Congenital Anomalies?, International Clearinghouse Annual meeting, September 13–17, 2008, Italy.
32. **S Dastgiri**, D Stone. Natural History and Survival Status of Children with Congenital Anomalies, International Congress of "The Fetus as a Patient", 12-14 June, 2008, Germany, (published in European Journal of Ultrasound).
33. **S Dastgiri**, S Imani, L Kalankesh, M Barzeghar, M Heidarzadeh, Registration, Control and Prevention of Congenital Anomalies in Iran: a pilot Programme in

the Northwest of Iran, International Congress of "The Fetus as a Patient", June 12-14, 2008, Germany, (published in European Journal of Ultrasound).

34. **S Dastgiri**, S Imani, L Kalankesh, M Barzeghar, M Heidarzadeh, Registration, Control and Prevention of Congenital Anomalies in Iran: a pilot Programme in the Northwest of Iran, International Congress on Health Genomix and Biotechnology, Nov, 2007, Iran.
35. **S Dastgiri**, LR Kalankesh, N Pourafkary, Epidemiology and Survival of Self-Immolation in North-West of Iran, 8TH International Epidemiological Association Scientific Meeting, Dec 2004, India.
36. **S Dastgiri**, S Mahboob, E Faramarzi, T Moradi, N Farrin, H Tutunchi, M Ghayoor, Epidemiological Features of Nutritional Status in North-West of Iran, 8TH International Epidemiological Association Scientific Meeting, Dec 2004, India.
37. **S Dastgiri**, D Stone, Does birth weight have a prognostic value for the survival of infants born with congenital anomalies? IV International Nutrition and Dietetics Congress, Turkey, April 2003.
38. Abdollahi FS, **Dastgiri S**, Bagherneghad R, Occurrence of palatal fistula: a prospective study, 2nd Annual Meeting of Cleft Lip, Palate and Craniofacial Anomalies, India, March 2003.
39. **S Dastgiri**, D Stone, Survival of children with chromosomal anomalies from birth to the end of school age, BINOCAR Conference, Oxford, UK, October 2002.
40. **S Dastgiri**, D Stone, Survival of children with chromosomal anomalies (excluding Down's syndrome) from birth to the end of school age, XVI IEA World Congress of Epidemiology, Montreal, Canada, August 2002.
41. Evazi J, Majidi J, **Dastgiri S**, Vaez J, and Asvadi I, Human leukocyte antigens and oesophageal carcinoma, 16th Asian-Pacific Cancer Conference, Manila, Philippines, November 2001.
42. **S Dastgiri**, D Stone, C He-Ha, H Gilmour, Prevalence and secular trend of congenital anomalies in Glasgow , Public Health Conference, Ayrshire, Scotland, November, 2001.
43. **S Dastgiri**, D Stone, Survival of children with chromosomal anomalies from birth to the end of school age , The First UAE International School Health Conference, Abu Dhabi, UAE, January 2002.
44. **S Dastgiri**, H Gilmour, D Stone, Survival pattern of children born with congenital anomalies, Meeting of The Society for Social Medicine and The International Epidemiological Association, Oxford, UK, September 2001.

45. **S Dastgiri**, H Gilmour, D Stone, Survival pattern of children born with congenital anomalies, The 3rd Asian-Pacific Congress of Epidemiology and IEA Regional Scientific Meeting, Japan, September 2001.
46. Egtesadi S, Zargari F, Hoseinalizadeh L, Ansari N, Berenji S, Faqhi S, Amani R, **Dastgiri S**, Study of malnutrition and food insecurity among urban adolescent girls in north and south-west of Iran, 5th Congress on Diarrhoea and Malnutrition, Darwin, Australia, April 2001.
47. S Egtesadi, R Amani, **S Dastgiri**, Assessment of growth pattern and nutritional status of urban 6-10 years old children in Isfahan city of Iran, 8th European Nutrition Conference, Norway, 1999.
48. F Mohammadi, Sh Egtesadi, N Omidvar, Sh Milani, **S Dastgiri**, S Masboob, Effect of weekly and daily doses of iron supplements on KAP of pregnant and lactating women in Marand, East Azarbaijan. 8th Asian Congress of Nutrition, Korea, 1999.
49. **S Dastgiri**, R Jamali, M Ebrahimi, (et al), prevalence study on parasite infections in women of Marand City, Iran, 1997, 8th International Congress on infectious diseases, Boston, USA, 1998.
50. S Egtesadi, F Zarghari, **S Dastgiri**, Assessment of growth pattern and nutritional status of urban 11-14 years old adolescent girls in Tabriz, Iran, XXXIII International Congress of Physiological Sciences, St. Petersburg, Ukraine, 1997.
51. **S Dastgiri**, S Ahmadi Babil, E Sattarvand, L Kamali, The effect of nursery schooling on weight and height of pre-school children, 16th International Congress of Nutrition, Montreal, Canada, 1997.
52. S Egtesadi, F Zarghari, L Hosseinalizadeh, **S Dastgiri**, Assessment of growth pattern and nutritional status of urban 11-14 years old adolescent girls in North West of Iran, 16th International Congress of Nutrition, Montreal, Canada, 1997.
53. S Mahboob, M Ebrahimi, **S Dastgiri**, R Mahdavi, A Oveisi, Assessment of nutritional knowledge of diabetic patients in Tabriz City of Iran, International Symposium of Nutrition & Diabetes, Rabat, Morocco, 1997.
54. **S Dastgiri**, F Mahmoodzadeh, Occupation and obesity in women, International Conference on the Role of Nutrition in Chronic and Non-Communicable Disorders, Bahrain, 1997.
